

**Take a
Break**

Je suis une **extension
de navigateur Chrome**
qui t'aide à rester
efficace en **gérant ton
temps de travail**

Design épuré et personnalisable

Paramétrage temps de travail et de pause

Relance automatique du cycle travail-pause

Possibilité d'épingler au premier plan

Alerte sonore discrète

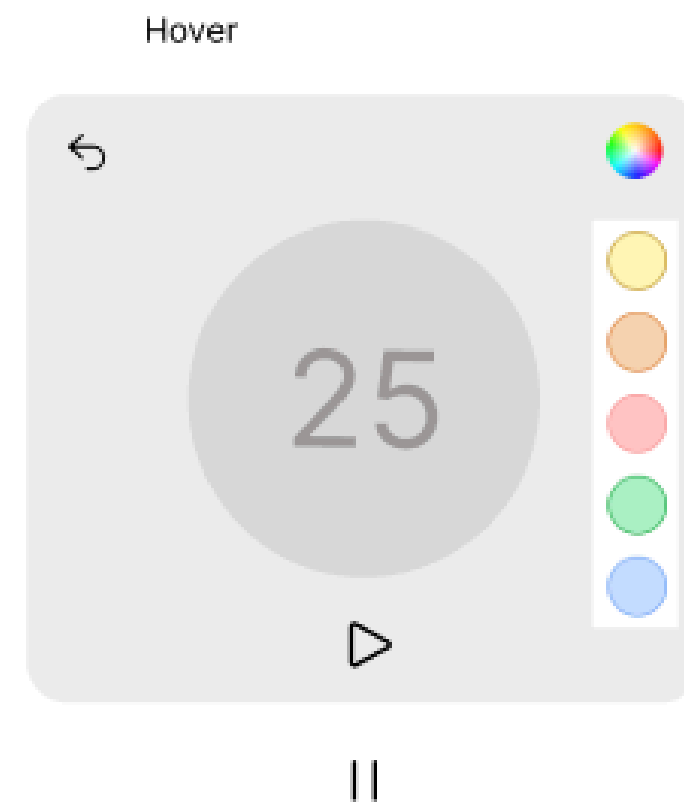

Temps de travail :

- 25 min +

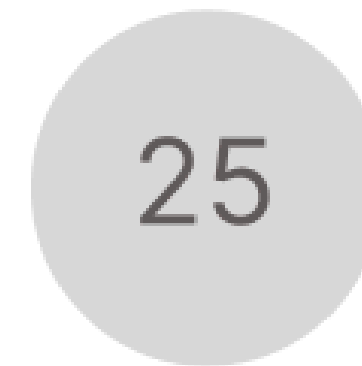

Temps de pause :

- 5 min +

Commencer

Minuteur en cours

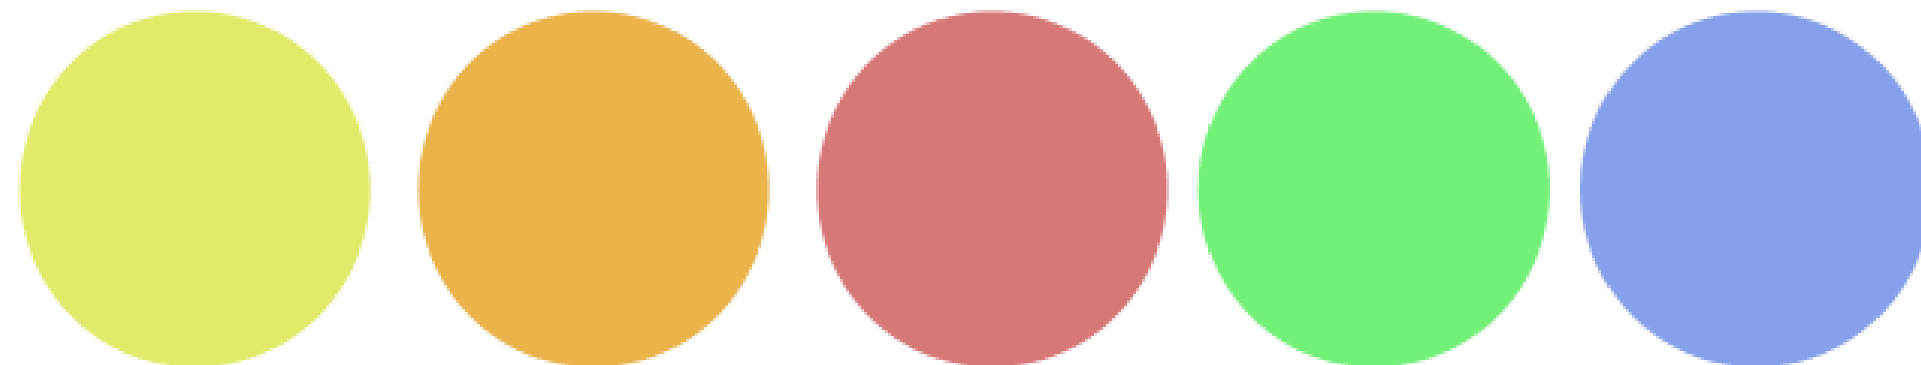

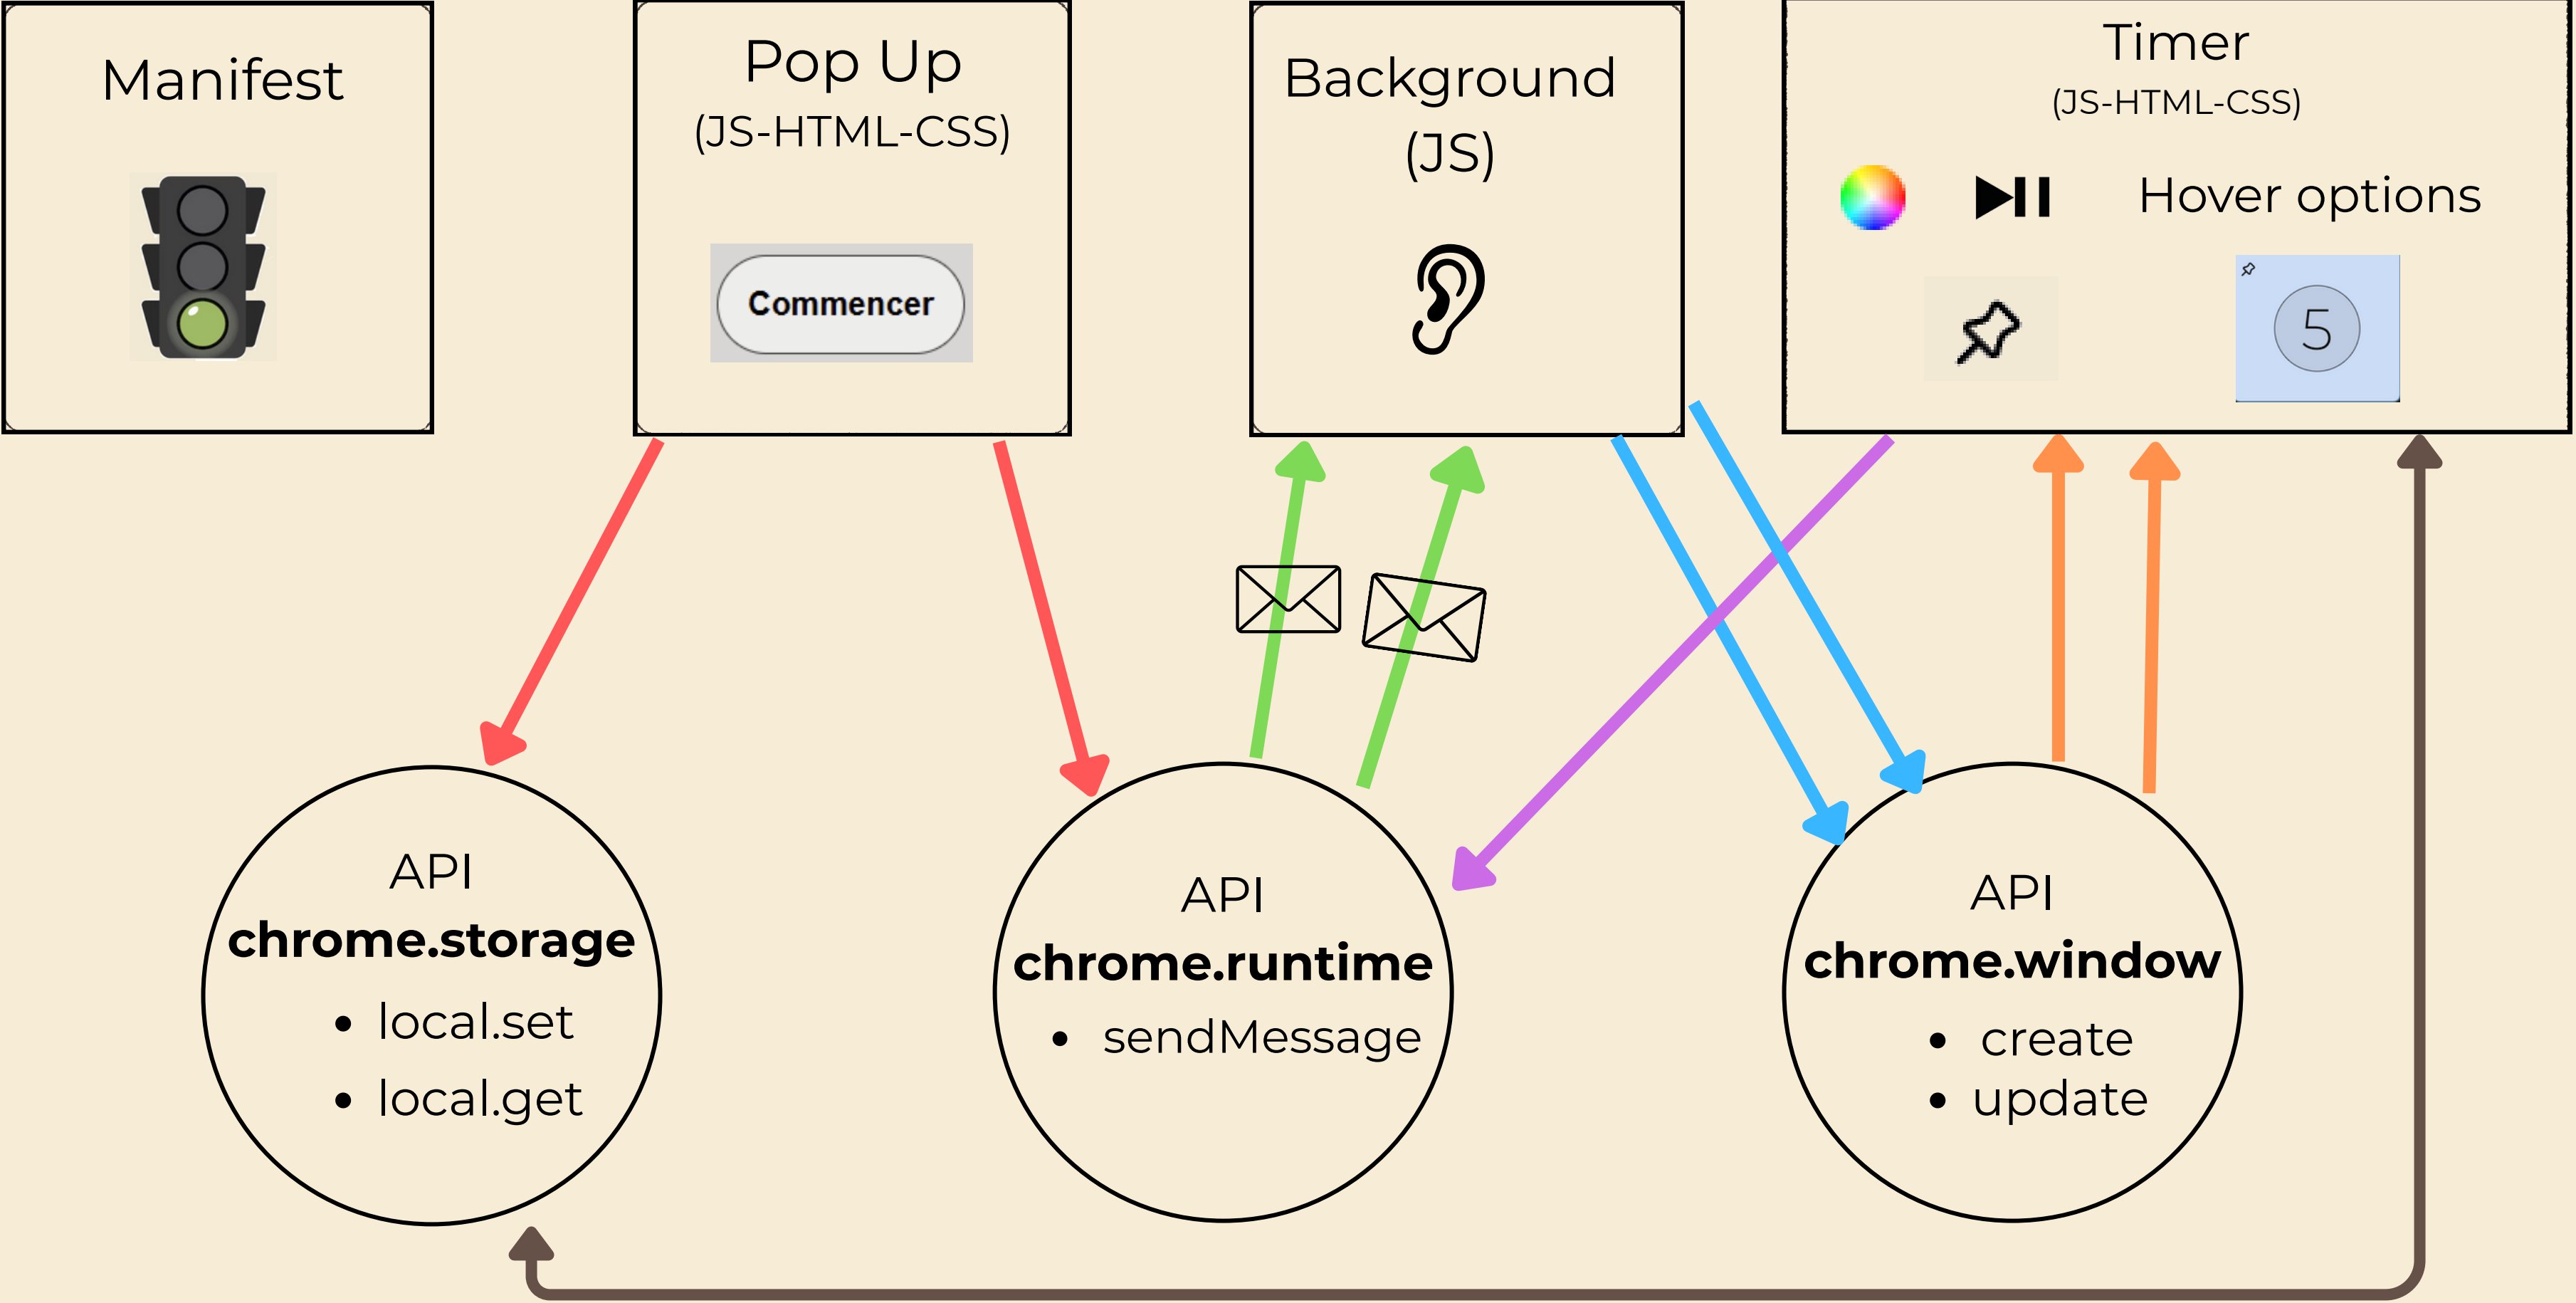

Fin du minuteur (avec effet visuel)

Prêt.e à t'y remettre ?

C'est partil

background.js

JavaScript

```
function createPopupWindow()
// Création de la popup
(window) => {
  popupWindowId = window.id;
  alwaysOnTopInterval = setInterval(() => {
    if (popupWindowId) {
      chrome.windows.update(popupWindowId, { focused: true }, (win) => {
        });
      }
    }, 1000);
}
```

window.js

JavaScript

```
let alwaysOnTopEnabled = true;
getPin.addEventListener("click", () => {
  alwaysOnTopEnabled = !alwaysOnTopEnabled;
  chrome.runtime.sendMessage(
    {
      action: "toggleAlwaysOnTop",
      enabled: alwaysOnTopEnabled,
    },
  ),
}
```

Punaise **avec** la propriété alwaysOnTop

window.js

JavaScript

```
// Fonction getPin.addEventListener
(response) => {
  if (response.status === "success") {
    console.log("AlwaysOnTop toggled:", response.message);
    pinDisabled.style.display = "block";
    getPin.style.display = "none";
  } else {
    console.error("Erreur:", response.message);
  }
}
```

window.js

JavaScript

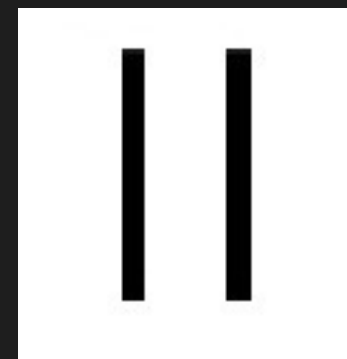

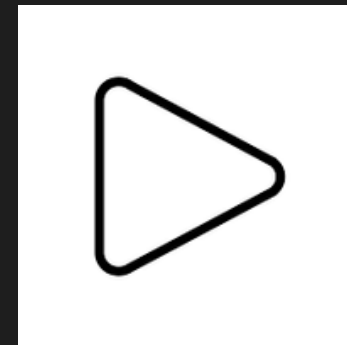

```
pinDisabled.addEventListener("click", () => {  
  alwaysOnTopEnabled = true;  
  // chrome.runtime.sendMessage ...  
  // response.status === "success" ...  
  pinDisabled.style.display = "none";  
  getPin.style.display = "block";  
});
```

Punaise **sans** la propriété alwaysOnTop

```
let isPaused = false;  
let intervalId = null;
```

```
PLAY_PAUSE_BUTTON.addEventListener("click", () => {  
  isPaused = !isPaused;  
  if (isPaused) {  
    PLAY_ICON.style.display = "block";  
    PAUSE_ICON.style.display = "none";  
    clearInterval(intervalId);  
  } else {  
    PLAY_ICON.style.display = "none";  
    PAUSE_ICON.style.display = "block";  
    startTimer(currentWorkTime);  
  }  
});
```
